

# Career Opportunity

The University of Lusaka which is one of the leading private Universities in Zambia has continued to expand and has a robust clinical training program for its MBChB students since August 2019. In this regard, the School of Medicine is calling for suitably qualified persons to fill the Full-Time Clinical Lecturer positions listed below to support the MBChB clinical training in the following key areas;

1. Psychiatry
2. Internal Medicine
3. Orthopedics
4. Cardiology
5. Pathology
6. Obstetrics & Gynecology

These positions may be applied for at any of the three (3) academic ranks, namely Clinical Professor, Clinical Associate Professor, Senior and Clinical Lecturer in the Department of Clinical Sciences. The posts will involve clinical work and clinical teaching in the various clinical placement areas where the students on the MBChB students are currently doing their rotations.
